

## **The Dojo is open for private sessions!**

As we welcome you back, the safety and wellbeing of our students and staff is of utmost priority. Here is what we are doing to keep everyone safe.

- We ask that you take your temperature before coming to class. Do not come if you have a fever or if you are not feeling well.
- Please arrive on time. Sessions will be staggered to avoid entering and exiting with other students.
- Once you arrive at the Dojo, wait in your car until a Sensei comes to the door for you. Only one parent per child is allowed in the lobby to observe class. No siblings.
- Masks are mandatory upon entering the building
- Staff will wear masks at all times
- Parents in the lobby must wear masks and social distance
- Students may remove their masks only when in class training
- Every dojo has been assigned a bathroom. Bathrooms are for emergency use only. Notify staff if you use one so it can be cleaned.
- Each dojo will have its own separate entrance and exit and will be cleaned after every student.
- Bring your own water bottle to use during class. There will be designated spots for gear and water in each dojo.
- All students must be picked up within 5 minutes of session's end.

### **Fees**

Class fees are \$40 for one student, \$60 for two (siblings or parent approved duos). Payment must be received prior to private session.
